

# RINSE AID

## PREMIUM RINSE AID ADDITIVE

- Leaves a sparkling finish
- Prevents spots and hazing
- Suitable for all dish-washing machines

### USES

A premium quality rinse aid additive which prevent spots and hazing for a consistently sparkling finish.

A thin, clear blue liquid, Rinse Aid is a blend of specialist surfactants and mild acids in a taint-free aqueous base.

Ideal to ensure a perfect finish on plates, crockery, cutlery, utensils, glassware, glasses and tumblers.

Suitable for automatic dish washing machines in all food and catering establishments, e.g. cafés, restaurants, hotel kitchens, canteens, etc.

### DIRECTIONS

Feed into the machine through the automatic dosing system if one is fitted. Otherwise, add to the rinse cycle at a dilution rate of 1 part RINSE AID to 900 parts rinse water.

### DILUTIONS

RINSE AID : WATER

1 : 900

Code: 407
