## HSC LEMON MULTI-PURPOSE CLEANER

-  Versatile Cleaner
-  Easy Application
-  Water Soluble

## Description:

ProJanta HSC Lemon 5L is an economical and versatile multi-surface cleaner designed for the regular cleaning of floors, walls and other hard surfaces. With its fresh lemon fragrance, it not only cleans effectively but also helps leave rooms smelling clean and pleasant after use. Suitable for painted surfaces, stainless steel, laminated finishes and other non-porous surfaces, it is ideal for use in kitchens, canteens, washrooms and public areas where routine hygiene and presentation are important. Supplied as a yellow liquid with 100% solubility, it is easy to apply using a spray and cloth or with a mop and bucket, depending on the area being cleaned. With a concentrate pH of 1-3, gloves and eye protection should be worn during use.

## Useful Information:

Product Code:	250509
Product Colour:	Yellow
Product Fragrance:	Pleasant Odour
pH Level:	7.5

## Directions:

HSC Lemon should be diluted with clean cold water according to the level of soiling and the surface being cleaned. For general cleaning, dilute at 1:50 and apply using a spray and cloth or mop and bucket to floors, walls and other hard surfaces. For stone flooring, dilute at 1:20, and for heavily soiled areas affected by oil or grease, use a stronger dilution of 1:10.

The product is suitable for regular cleaning of painted surfaces, stainless steel, laminated and other non-porous surfaces, making it ideal for use in kitchens, canteens, washrooms and public areas.

When handling and applying the product, suitable protective gloves and eye protection should be worn.
