CLEAN LEMON GEL

VERSITILE LIQUID GEL FLOOR CLEANER

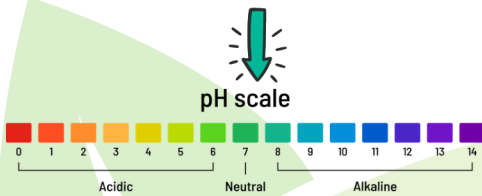

- Easily Cuts Through Grease
- Multi-Surface Cleaner
- Fresh Citrus Scent

Description:

ProJanta Clean Lemon Floor Gel is a powerful, versatile liquid gel cleaner developed for effective cleaning across a wide range of hard surfaces. Its viscous formula targets dirt, cuts through grease and helps lift everyday stains such as sugary coffee and soup residues, making it ideal for floors, walls, countertops, kitchen equipment and bathroom surfaces.

Clean Lemon Floor Gel is also useful for grout cleaning, where its foaming action helps loosen dirt from grout lines for improved results. Suitable for both routine and heavier-duty cleaning, it can be used neat on heavy oil and grease or diluted at 1:40 for general cleaning tasks. Supplied as a water-soluble liquid gel with a long-lasting citrus fragrance, it leaves surfaces clean and smelling fresh after use.

Useful Information:

Product Code:	250552
Product Colour:	Yellow
Product Fragrance:	Lemon
pH Level:	7.5

Directions:

Clean Lemon Floor Gel should be used either neat or diluted, depending on the level of soiling and the cleaning task. For heavily impacted oil and grease, apply the product neat by pouring it directly onto a sponge or onto the affected surface, then rinse with water after cleaning. For general cleaning, dilute at a ratio of 1:40, approximately 24ml per litre of water, and apply using a spray, mop or cloth. Leave the solution on the surface for a few seconds to help loosen dirt and grease, then wipe away, rubbing any stubborn marks as required.

During use, rinse mops and cloths frequently in clean water to maintain cleaning effectiveness.
