

TOLETTE

Premium thickened toilet and urinal cleaner and descaler

TOLETTE is a concentrated, viscous, fast acting toilet cleaner, descaler and deodoriser. Tolette is safe for use on stainless steel, copper, brass and chrome fittings

ADVANTAGES

Viscous 3 in 1 toilet cleaner, descaler and deodouriser

Inhibited phosphoric and sulphuric acid blend that is effective and safe to use on stainless steel, copper, chrome and all other toilet and washroom metals and alloys

Use as supplied, contains 12% phosphoric acid

Suitable for use in all toilet and washroom areas

Unique patented, fast acting formula provides outstanding performance

Pleasantly fragranced

TYPICAL APPLICATIONS

- Use to clean, brighten and descale, toilets, urinals, sinks and fittings in schools, nursing homes, hospitals, hotels, offices and factories
- May also be used to remove scale and soap scum from tiles and grouting around showers and changing rooms.

APPLICATION INSTRUCTIONS

1. Apply Tolette undiluted paying particular attention to the area beneath the toilet rim/hold can upright
2. Leave for 20 minutes, agitate stubborn deposits and flush away
3. Apply Tolette daily to maintain the appearance and finish of all sanitary ware. For persistent scale a second application may be required
4. Do not mix with bleach or other toilet cleaners
