

QUATTS400 - Telephone Sanitiser

INFORMATION SHEET

USE:

High Quality alcohol based aerosol combining sanitising and freshening properties. Suitable for telephones and other multi-user equipment and surfaces. It cleans, sanitises and prevents cross contamination by reducing the spread of bacteria and viruses.

DIRECTIONS:

Spray holding the container 15-20cm from the area to be treated. Keep container upright. Apply directly to the area to be disinfected. Allow to dry or wipe dry with a clean, lint free cloth before using item again.

TECHNICAL:

Chlorhexidine Gluconate 0.02% w/w (Chlorhexidine Gluconate Solution 20% BP) in denatured ethanol
