## Personalise your Clothing

In these times of modern Corporate awareness the importance of having your staff looking smart and representing your company in a professional manner cannot be stressed enough.

Whether it is to be printed or embroidered our design team can replicate any logo or text and we can apply them to all types of clothing.

As you can see from these examples no logo is too complicated.

Contact the sales team now for a free quotation.

### Disposable Face Mask

47104

Protection against fine non-toxic dusts and fumes. Suitable for use with dusts generated from construction, brick and clay dust, sanding and agricultural uses such as with animal feeds, grain, hay and pollen.

Assigned Protection Factor = 4

Packed singly

### FFP3 Respirator

47951

Protection against very fine toxic dusts, fibres and aqueous mists. Protects against oil mists, welding fumes (not Nitrate gases) and microbiological hazards. Exhalation valve lessens heat build-up and provides greater comfort. Staple free.

Assigned Protection Factor = 20

Packed 1 x 5

### 3M 8810 Cup-Shaped Dust/Mist Respirator

47034

Provides protection against fine dusts, water-based mists and oil based mists. The convex shape, twin-strap design ensures a good fit on all face sizes.

Assigned Protection Factor = 10

Packed 1 x 20

### 3M 8812 Cup-Shaped Valved Respirator

47015

Provides protection against fine respirable dusts with 3M Cool Flow valve for wearer comfort.

Assigned Protection Factor = 4

Packed 1 x 10

### 3M 8710E Cup-Shaped Respirator

47016

Provides protection against fine respirable dusts.

Assigned Protection Factor = 4

Packed 1 x 20

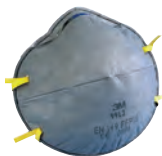

### 3M 9312 Fold Flat Valved Dust/Mist Respirator

47023

Provides protection against fine dusts. 3M Cool Flow valve and soft cover web for good fit and greater protection.

Assigned Protection Factor = 4

Packed 1 x 10

### 3M 9913 Dust/Mist Odour Respirator

47089

The lightweight 3M 9913 provides comfortable respiratory protection against fine dusts, unpleasant smells and nuisance levels of organic vapours.

Assigned Protection Factor = 4 Below WEL for organic vapours

Packed 1 x 20

### 3M 9320+ Foldable Dust/Mist Respirator

47056

Provides protection against fine dusts, water-based mists and oil based mists.

Assigned Protection Factor = 10

Packed 1 x 20

### **Bold Pro Spectacles**

4791

One piece wrap around scratch resistant, anti fog polycarbonate lens. Sophisticated 3D design encourages 100% wear time for maximum safety. Supplied with neck cord.

Single piece, anti-scratch 6 base spherical polycarbonate lens for clear & unobstructed vision. Fully adjustable side arms for optimum fit and soft nose pads for added comfort. Absorbs 99.9% of UV radiation up to 385nm. Neck cord provided with each pair.

### **Millennia Sport Safety Spectacles**

47070

One piece wrap around scratch resistant polycarbonate lens. Sophisticated 3D design encourages 100% wear time for maximum safety. Supplied with neck cord.

### **Pulsafe Hi Style 6000 Spectacles**

47098

Recognised for its quality, style and weight. Temple wired sidearm ensures a precise fit

Lens Type: Clear polycarbonate

Frame: Tortoise Shell

### **Honeywell Sport Spectacles**

47099

Black frame & grey Fog Ban lens  
Sleek frame, sport design. Lightweight value-based frame with superior side and brow protection. Model comes standard with a Flexicord retainer.

### **3M Nassau Spectacles**

47060

Nassau spectacles' functional one piece lens and sideshield snaps into the simple brow-guard which has adjustable temples. Black frame with clear lens.

## Sperian Vistamax VX2031 Safety Goggles

47079

High-tech styling allows the goggle to breathe through its unique high flow venting system. The Vistamax 2000 series is the non-mist performer.

## Sperian V-Maxx Safety Goggles

47085

Wide distortion free peripheral vision. Indirect vent, anti-mist polycarbonate lens and neoprene strap.

## Safety Over Spectacles

47068

Deep box style front profile to cater for wearing over all sizes of prescription eyewear. Ideal as a visitors safety spectacle. Polycarbonate lens with fully vented sideshields.

## Plastic Safety Goggles

4712

Designed for tough work environments, this goggle provides protection from extreme impact with a supersoft frame, housing a crystal clear lens complying with EN166 1B.

## Keep Safe Sirocco Ear Muffs

47061

Acoustic foam fill for lightweight and comfort. Ideal for day long general purpose protection where noise is a nuisance but not a hazard.

## 3M Peltor Optime I H510A Ear Defender

47090

For use in environments with moderate industrial noise, such as workshops, sheet-metal shops and printing works, can also be used outdoors.

## 3M Peltor Optime II H520A Ear Defender

47047

For use in demanding noise-hazard environments, muffles even extremely low frequencies to a maximum degree.

## 3M Peltor Optime III H540A Ear Defender

47018

Effective protection and supreme comfort. For extremely noisy environments Maximum high frequency muffling.

## Ultrafit Ear Plugs

**47033**

Unique one size Ultrafit fits most ear canals comfortably and provides a high level of attenuation.

Corded

Packed 1 x 50

## Neon Ear Plugs

**47003 Uncorded**

**47093 Corded**

Designed to provide the ultimate in comfort and protection.

Uncorded Packed 1 x 250

Corded Packed 1 x 200

## Ear Caps

**47091 Complete with headband**

Sold singly

**47096 Replacement caps**

One of the lightest semi-aural devices available. Caps provide day-long hearing protection against workers exposed to noise. Ideal as disposable protectors for visitors.

Packed 1 x 50

## 3M Banded Ear Plug

**47066**

Innovative flexible band with soft round foam plug to give optimum fit and superior comfort. Ideal for intermittent use and not recommended for continuous long term wear..

Sold singly

## One Touch Disposable Plug Dispenser

**47092 Dispenser**

**47010 E-A-R Classic Refil**

**47043 E-A-R Soft Refil**

Wall mounted or free standing. Easy twist action (left of right handed). Compact design, minimal packaging. Visible stock level (through clear refill bottle). 500 pairs of plugs per refill bottle (sold separately). Choice of Classic or Soft Neon plugs. 100% recyclable refill bottles.

## TERMS & CONDITIONS

SETTLEMENT:	Payment is due, in full 30 days from date of invoice.
CREDIT:	<p>We regret that we are unable to offer further credit to customers who do not comply with our settlement terms.</p> <p>It is the policy of Capital to request payment on delivery of any goods to all new customers. Account facilities will be set up thereafter for future purchases, pending a completed application form and credit references.</p> <p>Goods charged remain the property of Capital Cleaning (Kent) Limited until paid for in full, although the risk therein and all liability to third parties shall pass to the purchaser on delivery.</p> <p>We reserve the right to charge 2.5% interest above Bank Rate on invoice value if payment is not received by the end of the month following the month of invoice date.</p> <p>We also reserve the right to revoke all discounts that have been allowed on any order that has extended our credit terms.</p>
WEIGHTS:	All weights and measures given in this list are approximate and as provided by our suppliers. No liability can be accepted for any discrepancies.
SAMPLES:	Sample clothing is supplied on a sale or return basis. Any sample subsequently returned after a period in excess of 30 days will be subject to our restocking charge. Samples will not be accepted for return unless they are in an as new condition and in the original packaging.
COLOURS:	Capital only provides garments from the most reputable of manufactures. We are however unable as suppliers to guarantee the colouration or sizing of garments, as manufactures themselves will not guarantee these factors with any garments sold
PERSONALISATION:	<p>No personalisation of garments will be undertaken without prior signed approval of a proof and all liability for errors thereafter passes to the purchaser.</p> <p>Orders will only be accepted for personalisation of garments if placed in writing as mistakes cannot be rectified after the event.</p>
RETURNS:	Personalised goods will not be accepted for return under any circumstances. Any un-personalised goods ordered and subsequently returned for any reason will be subject to a 15% restocking fee.
CARRIAGE:	No carriage charges are made for deliveries on orders of £75.00 plus VAT and over. Orders placed totalling less than £75.00 plus VAT will be subject to a carriage charge of £8.50 plus VAT.
DISCOUNTS:	There are discretionary discounts available dependent upon quantities required.
PRICES:	Prices are listed separately and are correct at time of going to press, although prices are subject to alteration without prior notice, (we are entirely in the hands of our suppliers on this matter).
VAT:	All prices given in our price lists are exclusive of VAT, which must be added at the current rate.
